#### NOTES TO THE FINANCIAL STATEMENTS

#### **DECEMBER 31, 2020**

#### 1. PURPOSE OF ORGANIZATION

Woodlawn United Church provides religious services and is the focal point for charitable activities in the community. It is a registered charity under the Income Tax Act.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared using Canadian generally accepted accounting principles, except for amortization. The following principles have been applied:

#### Adoption of Financial Instruments

Effective January 1, 2009, the Church adopted the guidance presented in the Canadian Institute of Chartered Accountants Section 3855 - Financial Instruments - Recognition and Measurement.

In Accordance with Section 3855, the Council can classify all financial assets and liabilities as either held for trading, available for sale or other financial liabilities. Financial assets classified as available for sale are measured at fair value with their changes in value recognized as unrealised gains on investments in the year they arise. Loans and receivables and other financial liabilities are recorded at amortized cost. The Church has classified investments as available for sale. Receivables and payables have been designated as held for trading. On January 1, 2009 the Church applied the new standard retroactively.

Revenue & Expenses are recognized in the financial statements on the accrual basis.

#### **Donated Services**

The operation of the Church is dependent on the voluntary service of many people. Since these services are not normally purchased by the Church and because of the difficulty in determining their fair value, donated services are not monetarily recognized in these statements.

#### NOTES TO THE FINANCIAL STATEMENTS

#### **DECEMBER 31, 2020**

#### 3. INCOME TAXES

The Church is considered a non-profit organization under the Income Tax Act, and therefore revenues earned by Church activities are not subject to income taxes.

#### 4. PROPERTY & EQUIPMENT - COST

	2020	- 2019
Land and Parking Lot	\$ 146,364	\$ 146,364
Brick Church - Building	2,683,554	2,683,554

Heritage Center - Contents	41,147	41,147
	\$ 3,476,238	\$ 3,476,238

The land is valued at cost. Buildings and contents are valued at replacement cost as detailed in an appraisal conducted by A.D. Tupper & Associated dated October 20, 1983, plus actual costs since. On December 18, 2018 Paul R. Young, B.Comm,AACI,P.APP. did a physical inspection of the brick church building and the Heritage Center for the purpose of arriving at the Replacement Cost of the subject buildings for insurance purposes. As a result of his appraisal it was his opinion the new Replacement Cost of the buildings was \$5,110,000 for the brick building (including extension) and \$1,170,000 for the Heritage Center.

#### **5 PROPERTY ADDITION**

With the proceeds of a \$500,000 Scotia Bank term loan our extension was completed in late 2013. The loan was liquidated in 2019.
